### QUEEN'S BIRTHDAY WEEKEND CAMP 2017

The Porirua church has now hosted our fifth Queen's Birthday Weekend Camp. This year's theme was "Approved Servants: Accurately Handling the Word of Truth (2 Tim. 2:15)." This camp also served as Bear Valley Bible Institute-New Zealand's first official lectureship. Three lessons were taught by staff, and four were taught by students. You can listen to them [here](#).

1. The Error of Unprincipled People (Kent O'Donnell)
2. Covenant Confusion (Lance Mosher)
3. The Silence of the Scriptures—Permissive or Restrictive? (Rod Kyle)
4. Case Study: The Thief on the Cross—Faith Alone? (Deo Asistol)
5. Case Study: Gender Roles in the Church, Home, and Society (Glen Gawe [men] | Dora Lavea [women])
6. Case Study: Music in Worship (Jay Pahetogia)

### JACOB MILLER'S WORK

This time last year, we were wrapping up a two-week campaign with several Freed-Hardeman University students. Among them was Jacob Miller. Though we do not have an official campaign planned, Jacob has returned to spend his two-month school break to work with the New Zealand churches. His work here will serve

as his internship for his Bible degree from FHU. The timing couldn't be better, as the Joneses have gone to the USA for these two months, and we will be out of commission for some time as we welcome baby Asher.

In addition to picking up some of the Jones and Mosher works, Jacob will also be establishing his own work by door-knocking and letterboxing.

**NEW STUDIES AND CONTACTS**

We have begun a few new studies in the past couple of weeks. Most of them were handed to us by the Joneses as they left for the USA. We are excited to be studying with the adult child of one of our members. We have been praying for her for some time, and we are thankful for her interest in the gospel.

**CONCLUSION**

We are excited to report to you on another month's work. Please continue to pray for us. Thank you for your love, encouragement, and support. God bless you.

Keep serving Him,  
*Lance, Kristen, and Silas Mosher*

Deo preaches his very first sermon during Lectureships

Bear Valley Bible Institute-New Zealand's first official lectureship is in the books! Every year during the weekend that leads into the first Monday of June (called Queen's Birthday Weekend in New Zealand), the Porirua church hosts a camp and lectureship. This year, we held it also as BVBINZ's first lectureship.

The first three lessons were by staff, and we taught on interpretation and teaching principles. The next three lessons were by BV students on case studies, applying those principles. Actually, the students taught four lessons, as during one lesson, Glen taught the men and Dora taught the women. The lessons were:

1. The Error of Unprincipled People (Kent O'Donnell)
2. Covenant Confusion (Lance Mosher)
3. The Silence of the Scriptures—Permissive or Restrictive? (Rod Kyle)
4. Case Study: The Thief on the Cross—Faith Alone? (Deo Asistol)
5. Case Study: Gender Roles in the Church, Home, and Society (Glen Gawe [men] | Dora Lavea [women])
6. Case Study: Music in Worship (Jay Pahetogia)

The Sunday morning at camp always has the largest numbers, as those who cannot stay at camp still like driving in to enjoy worship with us on the Lord's Day. Deo Asistol taught the lesson

that hour, and it was his first time ever preaching. He did a fine job. All but the one on gender roles were recorded, and they can be heard [here](#).

We are continually thankful for all you do to encourage us at BVBINZ. We could not go on without your love and support.

Keep serving Him,

*Lance Mosher, BVBINZ Director*
